

# Week 11: Instructions, Lessons & Links

---

June 15 - 19<sup>th</sup>, 2020

**You have made it to  
the final week of  
Grade 3!**

- Even though this isn't how we pictured ending our year together, I want you to know that I am proud of you! You have worked really hard in the classroom and at home and you are ready for Grade 4!**

# Exciting Events Happening this Week:

## \*Parades\*

We will be walking two routes! See the email from Ms. Walmsley (Tuesday, June 9<sup>th</sup>) for routes so you know where to see us!

- Monday from 1-3pm
- Tuesday from 9-11am

## \*End of Year Pick Up\*

I have a little something for you to pick up and would like the chance to SEE you in person to wrap up our Grade 3 year together!

If you are available, please come see me at the front of Lakeview School sometime between 1-3pm on Tuesday June 16<sup>th</sup>!

If this time doesn't work for you, please contact me so we can make an alternate plan.

# 2D Shapes

1. Click [HERE](#) to listen to the book called "The Greedy Triangle" by Marilyn Burns

2. Use popsicle sticks, pipe cleaners, toothpicks, playdough, etc to model out each of the 2D shapes that are talked about in the book.

3. Create a 2D Shape collage with paper or found items.

1.

2.

3.

# KEEP READING!

Aim for 20 minutes per day!

- Reading is the way you exercise your brain! The more that you read, the more ready you will be for Grade 4!
- Check in on SeeSaw to listen to Mrs. Goruk read some books to send you off to summer!

# Nature Day

## Writing:

- Choose one or more of the prompts (thanks to [journalbuddies.com](http://journalbuddies.com)!) and spend at least 20 minutes writing in your journal.

## Art:

- Leaf Print Mandalas [HERE](#)
- Go on a nature walk and collect items that you could use to create your own artwork. Use the items to make prints or use them to create your own designs, images and creations (photo examples)

- How much time do you get to spend outdoors?
- If you were a part of nature, what element would you be? Why?
- Spend 15 minutes outside observing the world around you. Write about what you notice most.
- What is your favorite season? Why?
- Write a short story about a summer thunderstorm.
- What is the most beautiful place in the world? What do you love about it?
- When you go outside, which of your senses are you most thankful to have?
- Do you consider yourself a nature-lover? Why or why not?
- Would you rather have your favorite season all year long or experience different seasons throughout the year? Why?
- If you could experience any new part of nature, which one would you choose? Why?

# Beach Day

## Teams Meeting - Wednesday at 11:00am

- This will be our FINAL meeting so please join if you can!
- Dress up in your beach gear and come prepared to create a summer bucket list while we chat and wrap up our year together! Print the Summer Bucket List page from the webpage or bring a blank piece of paper to create your own!

# Game Day!

- Knowing your math facts (and having quick recall) is a really important skill! The better you know these, the more confident you will be in Grade 4!
- You need instant recall of:
  - Addition and Subtraction to 18
  - Multiplication to 5x5 (go higher if you can!)
  - Division to 25/5 (go higher if you can!)

One of the best ways to learn your math facts is to play games! Play them often!

- Addition and Subtraction Bingo & caller pages.
- Addition/Subtraction War
- Addition/Subtraction Snap
- 18<sup>th</sup> Hole!
- Check out this website for a bunch of other great games: Learn With Math Games [HERE](#)

Board games are also a great way to practice a variety of literacy, numeracy and cooperative skills. Play some of your favorites OR make your own!

This website [HERE](#) has some great tips and instructions for how to make your own. This is a great idea to do with the whole family!

# Father's Day

- Click [HERE](#) to listen to Robert Munsch's book "Give Me Back My Dad"
- Print the poster on the webpage (or use the prompts and create your own) then fill out each of the prompts to create your own keepsake gift. Be thoughtful in your answers!
- Follow the instructions [HERE](#) to create a Flying Superhero for your dad or other special person in your life! You can use the printables on the website or draw your own from their examples. All you need to make it fly is a straw!

## Flying SUPERHERO
